

The Greenbrier Companies invites interested shareholders and other stakeholders to listen to its second quarter financial results conference call live over the Internet on Wednesday, April 9th at 8:00 a.m. PDT.

Listeners can access the Webcast by logging onto the company's "newsroom," at www.gbrx.com. The Webcast will also be archived at the web site for 30 days.

The Greenbrier Companies, headquartered in Lake Oswego, Oregon, is a leading supplier of transportation equipment and services to the railroad industry in North America. Greenbrier builds new railroad freight cars in the U.S., Canada and Mexico, and repairs and refurbishes freight cars and wheels at thirteen locations across North America. The Company also builds new railroad freight cars and refurbishes freight cars for the European market through its manufacturing operations in Poland and various sub-contractor facilities throughout Europe. At Greenbrier's Portland, Oregon manufacturing facility, it builds ocean-going barges for the maritime industry. Greenbrier owns or manages a fleet of approximately 50,000 railcars.
