The Greenbrier Companies (www.gbrx.com), headquartered in Lake Oswego, Oregon, is a leading supplier of transportation equipment and services to the railroad industry in North America. Greenbrier builds new railroad freight cars in the U.S., Canada and Mexico, and repairs and refurbishes freight cars and wheels at thirteen locations across North America. The Company produces rail castings through an unconsolidated joint venture and also manufactures new freight cars through the use of unaffiliated subcontractors. The Company also builds new railroad freight cars and refurbishes freight cars for the European market through its manufacturing operations in Poland and various sub-contractor facilities throughout Europe. At Greenbrier's Portland, Oregon manufacturing facility, it builds ocean-going barges for the maritime industry. Greenbrier owns approximately 12,000 railcars and performs management services for approximately 113,000 railcars.
