

LAKE OSWEGO, Ore., Sept. 15, 2016 /[PRNewswire](#)/ -- The Greenbrier Companies, Inc. (NYSE: GBX), a leading global supplier of transportation equipment and services to the railroad industry, will be an exhibitor at InnoTrans 2016, the world's leading transport technology trade show. InnoTrans will attract more than 135,000 visitors from 55 countries to Berlin, Germany from September 20-23, 2016.

Greenbrier builds new railroad freight wagons for rail transport markets worldwide including North and South America, the Middle East/GCC region and Europe. Greenbrier manufactures new wagons at facilities in the U.S., Mexico, Brazil and Poland. Greenbrier provides freight wagon repair and aftermarket services in the U.S. and Europe and operates an aftermarket railcar support program in Saudi Arabia.

Greenbrier invites InnoTrans visitors to meet with company representatives from various global locations to learn more about its product and services. Greenbrier will host a display at Hall 3.2, Booth 303 and the outdoor display of rolling stock will feature Greenbrier's 113m³ Tank Wagon and Hopper Wagon at FG SUEW/T1/21 and 22.

About Greenbrier

Greenbrier (www.gbrx.com), headquartered in Lake Oswego, Oregon, is a leading supplier of transportation equipment and services to the railroad industry. Greenbrier builds new railroad freight cars in manufacturing facilities in the U.S., Mexico and Poland and marine barges at our U.S. manufacturing facility. Greenbrier sells reconditioned wheel sets and provides wheel services at locations throughout the U.S. We recondition, manufacture and sell railcar parts at various U.S. sites. Through GBW Railcar Services, LLC, a 50/50 joint venture with Watco Companies, LLC, freight cars are repaired and refurbished at over 30 locations across North America, including more than 10 tank car repair and maintenance facilities certified by the Association of American Railroads. Greenbrier owns a lease fleet of over 8,900 railcars and performs management services for over 264,000 railcars.
