About Greenbrier

Greenbrier (www.gbrx.com), headquartered in Lake Oswego, Oregon, is a leading international supplier of equipment and services to freight rail transportation markets. Greenbrier designs, builds and markets freight railcars in North America, Latin America and Europe. We also build and market marine barges in North America. We manufacture freight railcars in Brazil through a strategic partnership in which we hold a majority interest and produce rail castings through a separate Brazilian partnership. Greenbrier also has a majority stake in Greenbrier-Astra Rail, an end-to-end, Europe-based freight railcar manufacturing, engineering and repair business. Through our European manufacturing operations, we deliver U.S.-designed tank cars to Saudi Arabia. We are a leading provider of wheel services, parts, leasing and other services to the railroad and related transportation industries in North America and a supplier of freight railcar repair, refurbishment and retrofitting services in North America through a joint venture partnership with Watco Companies, LLC. Through other joint ventures, we produce rail castings, tank heads and other railcar components. Greenbrier owns a lease fleet of over 9,000 railcars and performs management services for 267,000 railcars.
