About Greenbrier

Greenbrier, headquartered in Lake Oswego, Oregon, is a leading international supplier of equipment and services to global freight transportation markets. Greenbrier designs, builds and markets freight railcars and marine barges in North America. Greenbrier Europe is an end-to-end freight railcar manufacturing, engineering and repair business with operations in Poland and Romania that serves customers across Europe and in the Middle East. Greenbrier builds freight railcars and rail castings in Brazil through two separate strategic partnerships. We are a leading provider of wheel services, parts, railcar management & regulatory compliance services and leasing services to railroads and related transportation industries in North America. Greenbrier offers freight railcar repair, refurbishment and retrofitting services in North America through a joint venture partnership with Watco Companies, LLC. Through other unconsolidated joint ventures, we produce rail castings, tank heads and other railcar components. Greenbrier owns a lease fleet of over 9,000 railcars and performs management services for 267,000 railcars. Learn more about Greenbrier at www.gbrx.com.
